

ECONOMIST (CLIMATE & ENERGY)

Posted on 20/09/2023

The role

Prospera seeks a passionate and experienced economists with specialist skills in areas such as climate change, emission trade, green financial instruments, renewable energy transition, and natural resources accounting. In response to the Government of Indonesia's priority to adopt green energy and sustainable policy initiatives, Prospera is building a new team to support its expert advisory team and its established network of GOI counterparts. This is a remarkable opportunity to be part of a growing program that will collaborate with government administrators to champion and inspire change for the strong, sustainable, and inclusive growth of Indonesia.

Please click this [link](#) to access the Terms of Reference detailing responsibilities and selection criteria:

Eligibility

Tertiary qualifications in environmental economics or economics / public policy with green economy specialisation. Post-graduate qualification is preferred.

Our ideal candidate

- A minimum of 5 years of professional experience working on green economic policies with expertise evident in one or more of the following areas: climate change actions, emission trade, green financial instruments, renewable energy transition, and natural resources accounting.
- Ability to conduct research and analysis on complex policy issues and recommend solutions.
- Knowledge and experience working on the Indonesian economy, with Indonesian and international policymakers.
- Knowledge of multilateral climate agreements is an advantage.
- Skills in Microsoft products (Excel, Word, PowerPoint, etc.) as well as one or more corporate data source such as Bloomberg and S&P Capital IQ.
- Excellent communication skills with fluency in Bahasa Indonesia and English (both written and oral), including advocacy and presentation skills.

About the program

Prospera is a partnership facility between the Government of Australia (through Department

of Foreign Affairs and Trade) and the Government of Indonesia. It aims to foster strong, sustainable, and inclusive economic growth in Indonesia. Commencing from 1 March 2018, Prospera is a planned five-year investment, which has been extended for further 3 years until 28 February 2026.
