

# RESEARCH ANALYST (MACRO) – 2 POSITIONS

*Posted on 23/04/2024*

## The role

The Research Analyst (RA) will provide the analytical foundation for Prospera's works in addressing the analytic needs of practice areas, responding to new and emerging policy issues, and framing macroeconomic policy issues. The RA will undertake research and data analysis related to economic governance and policy issues in macroeconomics and economic development. The RA is expected to support the preparation of analytical outputs (presentation/report/brief of the economic analysis/policy assessment) of Breakthrough 2.1 Macro. A strong knowledge of macroeconomic issues is preferable for this position. Strong quantitative skill is essential.

Please click this [link](#) to access the Terms of Reference detailing responsibilities and selection criteria.

## About you

The ideal candidate will possess strong qualifications and experience as follows:

- Tertiary qualifications in economics and/or a related discipline are essential, with post-graduate qualifications preferred. Strong quantitative skills will be essential.
- A minimum of 2 years' professional experience working on economic policy and related economic issues.
- Ability to conduct research and analysis on difficult, but well-defined tasks; articulate issues and recommend solutions.
- Knowledge and experience working on the Indonesian economy and with Indonesian policymakers.
- Computing proficiency in one or more statistical and data management software such as R, Stata, and Microsoft Excel.
- Excellent written communication skills with fluency in Bahasa Indonesia and English (both written and oral), including advocacy and presentation skills.

## About the program

Prospera is a partnership facility between the Government of Australia (through Department of Foreign Affairs and Trade) and the Government of Indonesia. It aims to foster strong, sustainable, and inclusive economic growth in Indonesia. Commencing from 1 March 2018, Prospera is a planned five-year investment, which has been extended for further 3 years until 28 February 2026.
